MEDIA COVERAGE

HIGHLIGHTS

My research has garnered major media attention with coverage in most major news sources and interviews for popular science outlets including Radiolab and National Geographic Magazine. In 2019, two of my articles were highlighted in University of Michigan News' [Top 20 News Stories of the year](#). In Michigan, I give frequent interviews about ornithology and bird conservation for the state's top media outlets, including Michigan Radio, MLive, and Detroit Free Press. My research is highlighted in textbooks including a feature in the Cornell Lab of Ornithology's Handbook of Bird Biology.
